

Court of Appeals of Ohio
8th Appellate District

POSTING

JUDICIAL INTERN / EXTERN OPPORTUNITIES

A judicial internship or externship is the opportunity for a law student to work directly with a judge, usually in exchange for credit hours toward the student's law degree. In some instances, interns / externs are compensated instead of receiving credit hours. Such compensation is provided by sources outside of the court. These kinds of compensation arrangements are the sole responsibility of the intern / extern. Duties may include: reviewing files, records, transcripts and documents; performing legal research; preparing memoranda and draft opinions. Intern / extern opportunities are available at the Eighth District Court of Appeals on a "space available" basis. Generally, interns / externs are expected to be second or third year law students.

There are several ways to apply for an intern/extern position at the Eighth District Court of Appeals:

- 1.) Apply through the placement office at your law school;
- 2.) Apply through a local bar association program; or
- 3.) Apply directly to a judge on the court.
